Innovate • Create • Educate

Empowering Young Minds

Eduvate provides access to completely global and all-round education for your child by helping schools with technology-based solutions. We enable personalised growth for every child, impacting thousands of students across schools.

Eduvate's Strong academic and non-academic solutions have helped International School impact 50,000+ students in a short span of 7 years. We are now proud to bring our core academic solution to **Your Child's School** to impact the performance of every student.

TRANSFORMING LEARNING INTO A LADDER FOR YOUR CHILD'S SUCCESS

NEP Integrated Curriculum

Completely integrated curriculum aligned with NEP 2020 guidelines.

Making Learning Practical

Learning Kits for every student. Concept-wise videos, audios, interactive books to understand the concepts practically.

Seamless Online Classes

Comprehensive ERP to conduct online classes. In-depth lesson plans to cover topics both in Online & Offline mode.

Smart Classrooms, Smarter Learning

Smart TV enabled Classrooms. Tablet for teachers loaded with all teaching resources.

Personalized Parent App

Stay updated on your child's progress, receive important circulars, notifications and track daily activities.
